VOLUME 4, ISSUE 3

MARCH 2009

...from the desk of Pastor Ron

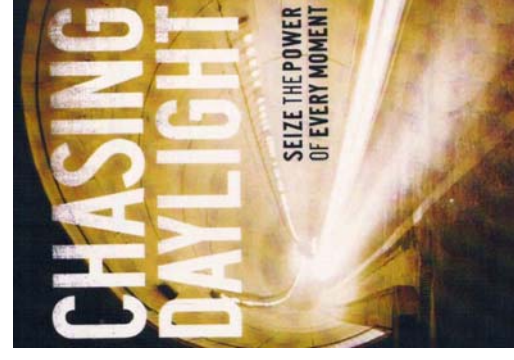

What a great work day we had Saturday, February 28th with 22 helpers busily working. It was exciting to see the enthusiasm as several projects were accomplished inside and mainly outside of the church. The church board has decided to start remodeling the Women's Restroom and the ladies have chosen new tile to replace the existing carpet and tile. There are still more projects that need to be done, so if you can volunteer your time please talk to Ray Robnett, our head Trustee.

We have been inching our way along in 1 Samuel 14 because each verse gives us something to ponder. We looked at the **choices** made by Jonathan and his father, King Saul. We looked at the **initiative** Jonathan took, in contrast to the complacency of Saul, who relaxed under the

pomegranate tree. Remember that the Israelites are vastly outnumbered, and they have two swords for the whole army. Jonathan has one of them, and during this time of **uncertainty** he is ready to take action. Jonathan used the **influence** he had to do the things he needed to do.

As we continue to look into the life of Jonathan during the month of March we will find that he was willing to take a **risk**. The thing about risk: you never really know. God often leads people in such a way that it is clear He was responsible for the victory. Jonathan was ready to **advance** until God told him "no" by showing himself to the enemy and committing himself to battle. Jonathan stepped into battle, and then the ground shook. God added an earthquake to leverage the **impact** of this faithful warrior. Jona-

than's faithful **movement** ignited something within the Israelites. It seems like a chain reaction, an **awakening** has taken place, all because one guy decides to sneak out of camp.

NMI NEWS - NELDA YOUNG

MARCH— and SPRING is just around the corner. We are looking forward to 'showers of blessing' in both rain AND BLESSINGS FROM GOD. God has already blessed in so many ways, and then when the February ALA-BASTER offering came in making once again a total of OVER ONE THOUSAND DOLLARS FOR THE YEAR, we were thrilled and knew God was blessing His people. When we are obedient and faithful, God will bless!!

year will come to a close. Do you have reading books, CD'S or cassettes that need to be turned in? Or have you read this years reading books? If not see Margie Little and she will see that you get a book to read.

... Our video on the "Work of the Jesus Film" was enjoyed in the NMI meeting. I heard several comments of how wonderful to see so many people being brought to Christ by the showing of this film. This month we will continue the video. (Thank you Ray Robnett for setting up for this

May God bless each of you as we work and pray for Missions, at home and around the world.

God is blessing in our Sunday School. The children's Rotation classes have been learning about Jesus in the synagogue . We are still in need of two Sunday School teachers in the children's department. Anyone interested in working with the children, please see Marilyn Wooten. On Sunday evening the children are quizzing in the book of Exodus. The adult Sunday School classes are going smoothly thanks to our wonderful teachers. I look forward to 2009 being a great year with many souls saved.
